## **ACCESS ARRANGEMENTS**

The Access Arrangements Policy is available by downloading it from www.pptcni.com (in the "Information for Parents" section) or from any of the PPTC Assessment Centres. Parents considering an application for access arrangements are advised to read the Policy in full before completing the sheet below.

If your child has any special educational needs, disabilities or other factors for consideration which might require reasonable adjustments to be made to the access arrangements for the assessment, please describe these below. What is the nature of your child's special educational need or disability? (Please describe as fully as possible.) Please outline the arrangements currently in operation in your child's primary school to cater for this educational need or disability?
